BUFFALO LITHIA WATER

OF VIRGINIA,
Springs Nos. 1 and 2,
IN COMPOSITION APPROXIMATES THE
Blood Serum.
A BLOOD FOOD AND NUTRIENT.

John V. Shoemaker, M. D., LL. D., *Professor of Materia Medica and Therapeutics in the Medico-Chirurgical College of Philadelphia, etc. New York Medical Journal, July 22, 1899 (extract).*

“An additional advantage and extremely important reason for the **PECULIAR EFFICACY** of the **BUFFALO LITHIA WATER** lies in the fact that its composition approximates that of the **Serum of the Blood**; therefore it is admirably fitted for absorption into the blood current and immediate incorporation with the watery portion of the nutrient fluid. It becomes at once identical with the **BLOOD SERUM**. These are qualities which far surpass those possessed by any extemporaneous solution of a single chemical preparation, as when a lithia tablet, e. g., is dissolved in water for immediate administration. When we speak of a dose, it is of a quantity altogether relative, and what the physician emphatically desires in a dose is therapeutic efficiency. This we have in the **BUFFALO LITHIA WATER**

“Those who have made use of this water and carefully noted its effects have often been surprised at the results obtained from amounts so small, according to chemical analysis, of **Lithia** and the accompanying **Salts**. The explanation of this extraordinary activity is doubtless to be found in the conditions just adduced.”

Both of these waters are powerful **Nerve Tonics**, and No. 1 is also a potent **Blood Tonic**, and is especially indicated in all cases where there is **Poverty or Deficiency of Blood**. In the absence of these symptoms, No. 2 is more especially indicated.

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally.

Testimonials, which defy all imputation or questions, sent to any address.
